The **Live DOI** will continue to identify and resolve to the same resource, but the content of the page may be revised, expanded, or corrected over time. A **Live DOI** therefore identifies the resource, not an immutable version of its contents. When citing a page using its **Live DOI**, it should be treated in the same way as other continuously updated online resources: the date on which the page was accessed should be included in the citation.

For research requiring a fixed, reproducible version of the [Encyclopedia](#), use an appropriate versioned release of the [Arabic Rhetorical Device Taxonomy](#), where available. Each release of the [Arabic Rhetorical Device Taxonomy](#) includes pages relating to the [Encyclopedia](#)'s theoretical framework, its inventory of [Arabic rhetorical devices](#), and supporting pages such as [glossaries of terms](#).
